## WOULD FIGHT THEM LIKE HELL, SAYS GERMAN

New York, March 21. A German, resident of Little Ferry, N. J., declared before Judge William H. Barker that a federal attorney in court in the Newark building often calls papers.

In case of war between the United States and Germany, of a kind which would you do? asked the federal judge.

"I would fight them like hell," said the plaintiff.

The audience was delighted, and Judge Barker told him he should not have to have lawyers for the case, and granted a \$100.00 fine.
